MEMORANDUM FOR NCOAGA GENERAL MEMBERSHIP

FROM: Awards and Memorials Committee
(Original/No Corrections)

SUBJECT: Committee Report

1. A meeting of the Awards and Memorials Committee was held at 1000 hours, 24 July 2002. See attached AGH Form 6-19, ANG NCOAGA SIGN-IN SHEET for members that were present.

2. The following items were discussed:

a. Hall of Fame Award – No nominees for this award were submitted to the Board of Directors for this year. Guidelines outlining the requirements for the awards were discussed.

b. The ANG NCOAGA deceased members obelisk was discussed.

1) Chief Vitzthum informed the committee that all the names through 2001 would be engraved on the obelisk, and will bring the listing up to date.

2) Also discussed was the difficulty in getting names placed on the obelisk for the year the deceased member passed away. Sometimes notification of the death of a member is not received for one, two, three years or longer. Untimely notification has resulted in delays in have names engraved on the obelisk.

3) There was discussion concerning individuals who pass away while in attendance at the ANG NCO Academy.

c. Outstanding Graduate and I.G. Brown Command Excellence Awards were discussed.

1) The criteria for the awards, what to include in the nomination packages, and a revised scoring matrix was discussed.

3. The following recommendations were made:

a. Recommendation – Hall-of-Fame Award. The committee recommends that more publicity/advertisement concerning this award outlining the criteria/nomination procedures be published in the Graduate, on the Association Web page, and through a letter-writing campaign to the local chapters.

b. Recommendation/Motion: Deceased Member Obelisk.

- 1) Recommendation: When notification of deceased members is received during the current year, those names will be placed on the obelisk for that year. Notifications received for members who pass away in previous years, names will be placed on tablet number six as they are received. We believe this process will eliminate the long delays in getting names placed on the Obelisk.
