

FORMS**SEMINAR COMMITTEE REPORTS FORMAT**

All committees during National Seminar will submit their final committee report in the following format. They will be submitted to the Seminar Administrative Office for typing and reproduction. Copies will be placed in the State boxes as they are completed, one for each Chapter in the State. Only actual motions (your attachment 1 to this report) will be read during the business session. Only motions pertaining to that committee will be allowed during that time. No acceptance vote is needed on a committee report since it is only a report. Recommendation of a committee can only be put into effect if they are put in the form of a motion and approved by the voting members.
