From The President

Greetings from Nebraska

I don't know about you, but I am sure ready to have some nice weather. So many areas of our great country have been having weather related issues, so it is time for some calm. From ongoing flooding in so many states, to excessive snow falls, to tornado's, it has certainly been a very tumultuous time for many of us. I hope and pray that our weather calms down and we can all be safe.

As the time is getting closer to our National Meeting in Kansas City in July, your board of Directors is continuing to make plans for a successful conference. As many of you may know, any successful conference requires teamwork from each individual involved with the different aspects of the meeting. The entire Board of Directors has different tasks that they must accomplish to be prepared to provide you, the membership, with the best conference experience. So please let them know how much you appreciate all of their hard work.

Since all of the positions on the Board of Directors are volunteer I would encourage you to consider becoming a member of the board. All of the three President positions are up for election. as well as the Secretary, East Region Director, DAL Ways and Means, DAL Graduate, and Parliamentarian positions. If you are interested in running for any of those position, please submit your information to CMSgt (Ret) Janice Richardson our current Treasurer. Your Board of Directors have been meeting by teleconference once a month in the evenings for approximately one hour where we follow our published agenda and complete different projects and make plans for new ones. Each position has the opportunity to update the board on any project that they have been working on or completing. So the only time that we physically get together is one day prior to National meeting to finalize all facets of the meeting. We look forward to seeing many of you at this year's national meeting.

Speaking of the national meeting, we accomplish several things there besides electing our new officers. We recognize the Out-

standing Graduate of the Year and the IG Brown Command Excellence winners nominated by your chapters and selected by a group of volunteers of previous Board of Directors and past presidents. We also recognize the winners of the scholarships that are selected by you, the members, who are attending the National meeting. Additionally this year we have a Hall of Fame inductee to be recognized. We will be getting a briefing from the TEC Liaison CMSgt (ret) Bruce Damrow on what has been going on at the TEC this past year and any new projects in the future of our schoolhouse at Knoxville. So, I would encourage you to attend the meeting this year. In addition to the meeting, we will have a staffed hospitality room where everyone can enjoy renewing old friendships and making new ones, while enjoying lots of great food and snacks. So block out July 19-20 on your schedule right now and make your hotel reservations and travel plans. All of the registration information is on the registration form on our Facebook and web pages, in addition to this newsletter.

If you or your dependents are going to college or planning to go to college next year, it is not too late to submit your scholarship applications. MSgt Alec Cawlfild, our current 1st Vice President, will be accepting scholarship applications until 30 June for the many scholarship opportunities that are available. So don't let this opportunity pass you by. The costs of college are very high so encourage your dependents to get their papers written and submitted to help pay for their educations. All of the requirements for the applications are located on our web site and on our Facebook page.

In closing, I know that many of you are so busy in your units with deployments, inspections, and just trying to do the jobs that you were trained to do. And for you traditional guardsmen and women, you have a civilian job and family that are the most important things in your life. But this organization also needs a little bit of your time. It cannot continue to function without your input. So please take a little time and let us know how we, your Board of Directors, can assist you with any question you may have. We are here to help you with our experience and knowledge. But we also need more current members of the Air Guard on our board so that we can continue to move forward in step with the current goals of the Air National Guard.

Thank you for all that you do in the defense of our great nation.

Respectfully,
Douglas Schulz, CMSgt (Ret)
President

FORMS

TRAVEL LOG

The TRAVEL LOG was set up to assist fellow graduates while traveling across the United States. It was a way of letting fellow graduates travel with a little less cost. A provider would open their home to another provider (or non-provider) with a place to spend an evening, or two, or whatever, while traveling. Also, the provider would give the traveler ideas of things to do in the area. To be a member of the TRAVEL LOG, you must be a current paid member of Chapter One. You must also be a current paid member of the TRAVEL LOG (membership is from 1 November – 31 October.) The provider will set their own house rules, length of stay, if pets are allowed, etc. Also, the provider will not be required to feed or entertain TRAVEL LOG guest. A non-provider would be a sponsor of the TRAVEL LOG, but has decided not to open their home to travelers. They will offer information about accommodations in their area and places to see. They are able to use the TRAVEL LOG as a regular member.

OPR: Director at Large – Ways and Means

Greetings NCOAGA members! I am looking forward to our GMM in Kansas City. I lived in that part of the country for a year and enjoyed the Plaza on numerous occasions. We will have a great meeting at that venue.

As for a business brief; the Heritage Committee has reconsidered the brick pricing and we are back at the \$50.00 per brick pricing. Please see forms on the NCOAGA website and in this issue of the Graduate.

We are assessing the preparation for the placement of the bricks and want to ensure we place them where they will receive the most visibility. Our next largest target audience for brick purchases are the students at the TEC. We are working with the TEC to advertise the opportunity for students to purchase a brick either for a class or as an individual.

As for PME update and TEC news; Chief Durrance and staff will be super busy during the July time frame. I have volunteered my services, putting on my old PME hat of over 15 years, and will provide the update on those topics. Of course that may be subject to change; Adapt, Improvise and Overcome... I have had a couple of meetings with Chief Durrance and he is insightful and far thinking about our PME programs. He is a great selection as Commandant.

See you in KC!

Bruce Damrow, CMSgt (Ret)
DAL-TEC Liaison

What makes the NCOAGA so special. YOU DO!!! We love our members and appreciate each one of you. It is your continued loyalty and support of the NCOAGA that has allowed us to continue to recognize youth through our scholarship program.

Because we do not undertake major fundraising projects, other than quilt ticket sales, or appeals, we are supported through loyal graduate members.

When Chief Richardson was president, she requested personal e-mail addresses on several occasions and while many have responded there are still 687 of the 1,524 active members without any e-address. I am well aware that there are some members who do not have computer or Internet access, but they are getting to be fewer and fewer. When visiting with other members please ask if they are receiving any e-mail from the Association, if not then pass along Chief Richardson's request. Communication has been a real issue in the past, but efforts are being made to correct this and we need your help.

Hope everyone has a great summer.

AIR NATIONAL GUARD PAST DIRECTOR'S COMMENTS

As Director and in my previous capacities as Adjutant General and Group Commander, I found the role and benefits of the Air National Guard Noncommissioned Officer Academy Graduate Association to be invaluable in our effort to be successful citizens and a man in today's America."

The Academy Graduate Association has made tremendous contributions to the overall success of the entire Air National Guard, its units and our enlisted force."

"I will continue to rely on this organization's active role in fostering 'Espirit-de-Corps', pride, professionalism, and a sense of unity within our units and communities."

ANG MCOAGA, CHAPTER ONE PAST PRESIDENT'S COMMENTS

The Air National Guard Noncommissioned Officer Academy Graduate Association was founded in 1968 in order to support Air National Guard Commanders at every level of command. Since then, Association members have been actively involved in improving discipline, Esprit-de-Corps, and the quality of life for our local communities through countless projects.

Being a **Volunteer** is what distinguishes the men and women of the Air National Guard as unique. Our National Association members, along with many times their number of local-only members, are always volunteering.

Will you accept the invitation to again volunteer and join Chapter 1, Air National Guard Noncommissioned Officer Academy Graduate Association in helping to continue to meet the needs of your home unit, community, and America? Together, **WE WILL MAKE A DIFFERENCE** for America into the next century.

ASSOCIATION OBJECTIVES

The objective of this Association is to support commanders through the leadership, knowledge, and experience of its members as follows, but not limited to:

- ❖ The "go to" for EMPE/CDC students;
- ❖ Provide base honor/color guard;
- ❖ Engage and mentor potential EPME/CDC candidate;
- ❖ Coordinate with BETMS on new candidates;
- ❖ Actively partner with civilian and military organizations, and

- ❖ Empower individuals who are educated and trained

BUSINESS & INDUSTRY DAY

Our Business & Industry Day program, held at sites selected by the Director, Air National Guard Bureau, hosts regional chapters and units along with local business, community, and educational leaders, allowing them to see and understand the mission of their *Hometown Air Guard*. This works to the benefit of many of our guests in helping them appreciate the contributions of the Air National Guard to our nation's defense and within our communities, while also making it possible for us to reach vastly larger numbers of our community leaders

CMC ACTIVITIES

Under civic activities, our members and chapters are actively involved in programs in their local communities and bases. Chapters promote programs for veterans, senior citizens, the handicapped, and children. It is our way of promoting our communities and making them better places to live in.

OPERATION PATRIOTISM

This program promotes patriotism through historic flag ceremonies and color guards. Thousands of miles and hundreds of man-hours are invested yearly by Association members promoting dedication to love of our country and Old Glory.

SCHOLARSHIPS

Each year at the Annual General Membership Meeting, scholarship awards are presented to dependents of Association members. Cash awards are based on the student's written essay, academic achievement, and application. Scholarships are also available to Association members in good standing.

ASSOCIATION AWARDS

The Association recognizes those individuals and chapters who have excelled during the past year with awards at the Annual General Membership Meeting.

The highest single individual award is the Outstanding Graduate of the Year. This award is presented to a member graduate who has made significant contributions to local chapters and the total Air National Guard.

The Major General I. G. Brown Command Excellence Award is given annually to a commander, who provides extraordinary support to the enlisted corps.

BE SQUARE SOCIETY

The Be Square Society was formed to assist in perpetuating our Association. Individuals are encouraged to join by pledging \$250, \$500, \$1,000, or more through a "Living Will" or by direct gift. Pledges may be tax deductible as a result of approval of Public Charity under the Public Charity Status 509(a)(2) effective 25 Sep 07.

PRIDE-THRU RECOGNITION

The Pride-Thru-Recognition (PTR) program promotes the individual recognition of all members of the Air National Guard.

TRAVEL LOG

Members join for a nominal fee and with a little coordination stay in each other's homes or obtain information about the local area at no charge. Travel Log income also supports our Scholarship program.

ANNUAL GENERAL MEMBERSHIP MEETING

Annually a local chapter/state hosts a reunion and advanced management training seminar. It is a great time to renew old friendships, develop new ones, and advance one's management techniques.

"THE GRADUATE"

Our web posted newsletter keeps members informed of what is happening within our local chapter, the Association, and the Professional Military Education community.

ASSOCIATION FUNDING

The Air National Guard Noncommissioned Officer Academy Graduate Association is self-funded. Local chapters determine their membership fee. Chapter One, the national chapter, assesses an annual membership fee.
